1. An application to renew a Concealed Pistol License may be submitted not more than six months before the expiration of the current concealed pistol license.
2. A Concealed Pistol License is valid until the applicant's date of birth that falls not less than four years or more than five years after the license is effective.
3. The effective date is the date the person's previous Concealed Pistol License expires or the date of approval of the renewal Concealed Pistol License, whichever is later.
4. The concealed weapon licensing board shall issue or deny issuance of a renewal Concealed Pistol License within 60 days after the application for renewal is properly submitted. If the concealed weapon licensing board fails to deny or issue a renewal Concealed Pistol License to the person within 60 days after the application for renewal is properly submitted, the expiration date of the current Concealed Pistol License is extended by 180 days or until the renewal Concealed Pistol License is issued, whichever occurs first. The extension does not apply unless the person pays the renewal fee at the time the renewal application is submitted, and the person has submitted a receipt from a police agency that confirms that a background check has been requested by the applicant.
6. A person carrying a concealed pistol after the expiration date of his or her Concealed Pistol License pursuant to an extension detailed in paragraph five of this section shall keep the receipt issued by the county clerk and his or her expired Concealed Pistol License in his or her possession at all times that he or she is carrying the pistol. For the purposes of Michigan law, the receipt is considered to be part of the Concealed Pistol License until a renewal Concealed Pistol License is issued or denied. Failing to have the receipt and expired Concealed Pistol License in possession while carrying a concealed pistol or failing to display the receipt to a peace officer upon request is a violation of Michigan law.
7. An application is considered a renewal if the applicant has received a Concealed Pistol License in compliance with the training requirements set forth in Michigan law effective July 1, 2001. A Concealed Pistol License is renewed in the same manner as the original Concealed Pistol License, which may include fingerprints. For more information about the application process, refer to the Application Process section within this document.
8. An applicant applying for a renewal is not required to have fingerprints taken again if the applicant's fingerprints have been submitted to and are maintained by the Michigan State Police. Fingerprints have been maintained by the Michigan State Police since January 1, 2006. If fingerprints were submitted prior to January 1, 2006, the applicant applying for renewal must have fingerprints taken and submitted to the Michigan State Police. For renewal applicants that do qualify, the county clerk will provide further instructions.

9. For an individual licensed after July 1, 2001, and subsequently applying for a renewal, completion of a pistol safety training course is not required. However, the applicant shall sign the statement on the application certifying that he or she has completed at least three hours of review of the required training and has had at least one hour of firing range time in the six months immediately preceding the renewal application.

Exception: The training requirements are waived for an individual who is a retired police officer or retired law enforcement officer. The concealed weapon licensing board may require a letter from the law enforcement agency stating that the applicant retired in good standing.

10. If there is a lapse between the previous Concealed Pistol License and the issuance of a new Concealed Pistol License, the individual is not authorized to carry a concealed pistol under authority of his or her Concealed Pistol License during that time lapse, except as described in paragraph five of this section.
11. An individual licensed to carry a concealed pistol may carry a concealed pistol under the authority of his or her Concealed Pistol License until the Concealed Pistol License expires or the individual's authority to carry a concealed pistol is otherwise suspended or revoked, whichever comes first.

Concealed Weapon Licensing Board

1. Each county shall have a concealed weapon licensing board consisting of the sheriff or his or her designee, the director of the Michigan State Police or his or her designee, and the prosecuting attorney or his or her designee. The prosecutor may opt out, and the county board of commissioners will appoint a replacement. The replacement must be a firearms instructor certified by this state or a national organization to teach the eight-hour pistol safety training course.
2. The concealed weapon licensing board shall either issue or deny a Concealed Pistol License within 45 days after the concealed weapon licensing board receives the fingerprint comparison report.
3. The concealed weapon licensing board shall not issue a Concealed Pistol License if they determine that issuing the Concealed Pistol License would be detrimental to the safety of the applicant or any other individual. This determination shall be based on clear and convincing evidence of repeated violations of the Firearms Act, crimes, personal protection orders or injunctions, or police reports or other clear and convincing evidence of the actions of, or statements of, the applicant that bear directly on the applicant's ability to carry a concealed pistol.

Temporary Concealed Pistol Licenses

There are two instances when a concealed weapon licensing board may issue a temporary Concealed Pistol License:

1. If the concealed weapon licensing board determines there is probable cause to believe the safety of the applicant or the safety of a member of the applicant's family is endangered by the applicant's inability to immediately obtain a Concealed Pistol License, a temporary Concealed Pistol License may be issued. This temporary Concealed Pistol License is valid for up to 180 days and may be renewed for one additional period of up to 180 days.
2. If the fingerprint comparison report is not received by the concealed weapon licensing board within 60 days from the time the Michigan State Police received the report from the Federal Bureau of Investigation, the concealed weapon licensing board shall issue a temporary Concealed Pistol License if the applicant is otherwise qualified for a license. The temporary Concealed Pistol License is valid for 180 days or until the concealed weapon licensing board receives the fingerprint comparison report, and issues or denies issuance of a Concealed Pistol License. Upon issuance or denial of issuance of the Concealed Pistol License, the applicant shall immediately surrender the temporary Concealed Pistol License to the concealed weapon licensing board that issued the temporary Concealed Pistol License.

Denials

If the concealed weapon licensing board denies issuance of a Concealed Pistol License, the concealed weapon licensing board must inform the applicant in writing of the reasons for the denial within five business days. The writing shall include a statement of the specific and articulable facts supporting the denial, copies of any writings, photographs, records, or other documentary evidence upon which the denial is based, and inform the applicant of his or her right to appeal the denial to the circuit court in the judicial circuit in which he or she resides.

Appeals

1. If the concealed weapon licensing board denies issuance of a Concealed Pistol License, or fails to issue a Concealed Pistol License as provided for in Michigan law, the applicant may appeal the denial or the failure to issue the Concealed Pistol License to the circuit court in the judicial circuit in which he or she resides. The appeal of the denial or failure to issue a Concealed Pistol License shall be determined by a review of the record for error, except that if the decision of the concealed weapon licensing board was based on the grounds that issuing a Concealed Pistol License to the applicant is detrimental to the safety of the applicant or to any other individual that portion of the appeal shall be by hearing de novo. Witnesses in the hearing shall be sworn. A jury shall not be provided.
2. If the circuit court determines that the denial or failure to issue a Concealed Pistol License was clearly erroneous, the court shall order the concealed weapon licensing board to issue a Concealed Pistol License as required by Michigan law.
3. If the court determines that the decision of the concealed weapon licensing board to deny issuance of a Concealed Pistol License to an applicant was arbitrary and capricious, the court shall order the state to pay 1/3 and the county in which the concealed weapon licensing board is located to pay 2/3 of the actual costs and actual attorney fees of the applicant in appealing the denial.
4. If the court determines that an applicant's appeal was frivolous, the court shall order the applicant to pay the actual costs and actual attorney fees of the concealed weapon licensing board in responding to the appeal.
